"Achieving Excellence Together"

Dear Parent/Guardian

Introducing Abbeys High School

We are really excited to introduce to you our rebranded Abbeys High School

Cambridge Syllabus

The school offers Cambridge International Education. Why have we chosen Cambridge? We have chosen Cambridge because it prepares students for life, helping them develop an informed curiosity and passion for learning.

Cambridge qualifications are recognized by the world's prestigious universities and employers giving learners a wider range of career opportunities. We are embarking on resourcing our institution to deliver high quality educational programmes.

Cambridge programmes and qualifications set the global standard for international education. They reflect latest educational research.

Why choose Abbeys High School?

Abbeys high School aims to provide a credible education to a diverse student population through the provision of an international and friendly environment that nurtures and holistically prepares students to function optimally in the ever changing global community. The school is well equipped with highly qualified teachers who are who are passionate about young people and learning.

Academics Form 1

The following subjects are offered

1. **Mathematics**
2. **First language English**
3. **Geography**
4. **History**
5. **Combined Science**
6. **Commerce**
7. **Accounts**
8. **Agriculture**
9. **Computer Science**
10. **I.C.T**

Each term until the end of form 1 the pupils are thoroughly evaluated to check on which areas they are good at and check whether they are receiving what they require as individuals.

Form 2-4

At the end of form 1 and after Assessment Tests involving parents, teachers and learners.

Sciences	Commercials	Arts
Mathematics	Mathematics	Mathematics
English	English	English
Geography	Geography	Geography
Biology	Accounts	History
Physics	Business Studies	Business Studies
Chemistry	Computer Science	Combined Science
Computer Science	Combined Science	I.C.T
Choices select one	Select 2	Select 2
