

ABBEYS HIGH SCHOOL
"Achieving Excellence Together"

13 May 2026

Dear Parents and Guardians,

It is a pleasure to welcome you back for the 2nd term of the 2026 academic year. We hope you enjoyed a restful break and are as energized as we are for the term ahead. To our new families joining the Abbeys community for the first time: we extend a particularly warm welcome. We are honoured that you have chosen us to partner in your child's education and look forward to making you feel at home within our vibrant school family.

Fees

We would like to express our sincere gratitude to the parents who have already settled their fees. Your promptness is invaluable, as it enables the school to meet its day-to-day operational expenses and maintain the high standard of facilities your children enjoy. For those who are yet to settle their accounts, we kindly encourage you to do so in a timely manner to ensure the uninterrupted running of our programs.

Uniform and Grooming

As the winter season is now upon us, we remind you that our uniform is our identity and a source of collective pride. Please ensure that your child arrives in a clean, ironed, and well-fitted uniform appropriate for the day — whether it be the formal school wear or the prescribed tracksuit. Furthermore, we request that students maintain high standards of grooming: shoes must be polished, hair kept neat, and jewellery is not permitted.

Communication

We believe that a strong partnership between the school and parents is the cornerstone of student success. We encourage you to maintain an open line of dialogue with the school to support your child's journey. Please also ensure that your contact details remain updated with the administration so that you never miss an essential announcement.

Punctuality and Attendance

Consistency is vital for academic progress. We kindly request that all students arrive at least ten minutes before the first bell to allow for a settled start to the day. Regular attendance is mandatory; should an absence be unavoidable, please notify the administrative office by 8:00 AM. This protocol is essential for the safety and accountability of every learner.

Sports and Clubs

At Abbeys, co-curricular excellence is as important as academic achievement; this balance is central to our motto, **“Achieving excellence together.”** Sports and clubs are a major part of our curriculum, as they foster physical and mental strength, emotional health, and self-esteem. We, therefore, encourage all learners to actively participate in our sporting disciplines and clubs to develop the confidence and mental alertness necessary for a well-rounded life.

We look forward to a productive and successful term.

Sincerely,

C. Banda
Head
